TYLER SCOTT
FULL STACK DEVELOPER

Summary

I am a graduate of University of Toronto's School of Continuing Studies, where I completed the 24 week Full Stack Web Development boot camp program with a final grade of 100.6%. Aside from the boot camp, I have also gained valuable experience in customer service, leadership, and management roles. I hope to utilize these skills, in addition to my innate problem solving ability, to produce creative solutions along-side my colleagues, and bring projects to fruition sensibly and efficiently.
